Discussion

At this point, no physical proposals have been received. Sherry has contacted Gloria to see what she has in her in box for her. Who is supposed to send them Jason Simms, DH Web, Kalico, Frederick Tech Heads, Inroads and one by Beth Maymon's company (in Walkersville) the rest are from Frederick.

Ben suggested that we take the time to review everyone's proposals, we decided to see what we have, and invite companies to come in and do a presentation at the 11/07 meeting – we will extend our meeting by an hour. Invitations to be extended no later than the 28th.

Sherry has started pricing the projectors and they run from \$500 to \$2000. Mr. Rudy did say that we could use his projector. So we will plan to use Mr. Rudy's equipment ...Gary Baker, Mr. Rudy and Dawn will plan to be here at 7:00.

Facebook - Original intent for Facebook was to have one person from each commission. Sherry has invited each commission to vote 1 person to represent each commission on Facebook. Should we make Susan Hauver a content creator...everyone says yes!

Frederick County Business Development and Retention Office – will present on 11/20/13. Sandy Wagerman & Beth Woodring will be here.

Ribbon Cutting etc... - All Proclamations need to go through the Burgess & Commissioners.

Shirts – to be revisited...

Stipend – when will that start and how often does that happen? Gary will ask when that starts.

December meetings – we may want to only have one meeting in December because of the holidays.

II. Citizen Concerns

Mr. Rudy – policing concerns, he will complete his documentation on it and present it the 2nd meeting in November. The Trooper program works great when they are on duty, that's the caveat. His issues will be addressed further.

Meeting called at 8:24 – by Ben Douds.
