

Attendees, Ben Douds, Clara Winch, & Randy Gray

7:41 the meeting was called to order by Ben Douds

A request is being made to Commissioner Winch for pictures of the town of Walkersville for placement on the new Walkersville town brochure. Those photos should be submitted to Alan who is putting the graphics together for the brochure.

04/21/2016 minutes approved. 3-0

Committee will try again to find a “social” town resident to keep committee apprised of upcoming town events.

Question came up as to who is the Facebook page content creator?

Farmers Market:

Currently, we are missing the Farmers market banner and the parking lot cones. Possibly somewhere at town hall?

Will inquire with Dawn Hipsley, farmers market Mgr., as to whether additional signage is necessary.

Noted that the first two weeks of the market appeared to have good traffic 😊

Noted that Dawn Hipsley’s coverage on Facebook of the Farmers market was wonderful, especially her posts on featured vendors.

Carnival week of 07/04/2016:

Commissioner Winch and Clara Winch will put up regular posts on Facebook advertising the events of the week with updated pictures of the carnival site.

Brochure:

Discussion tabled due to committee member Ray Soderberg not in attendance at this meeting.

AT 07/07 meeting:

We will discuss having monthly meetings instead of bi-monthly meetings.

Propose a joint meeting between planning & zoning commission to discuss blighted property issues.

Meeting adjourned 8:35pm

As submitted by Clara Winch
